This beautiful home opens to modern living, updated kitchen with a dining area and spacious pantry. The living room, enhanced by one of the homes two fireplaces, creates a warm and inviting atmosphere, perfect for cozy evenings. The family room, hosting the second fireplace, offers a comfortable space for relaxation and family time. The layout includes a versatile office space and a bedroom with an en-suite full bathroom on the first floor. Substantial loft upstairs for additional living or entertainment space. The primary bedroom is a true retreat, featuring a serene additional space for relaxation, along with a dream-sized walk-in closet and the option for a second closet, enhancing storage possibilities. Transitioning to the exterior, step into the inviting swimming pool surrounded by a generously sized patio. Situated in a prime location, this residence is moments away from parks, restaurants, and shopping, offering the perfect blend of comfort and convenience.
